We Deliver Quality & Innovation to Redefine Human Lives

- **Tejash Hathi** (Managing Director)

AT APTUS : QUALITY IS A HABIT

Aptus Pharma Limited... Connecting Life.

Established in 2011, Aptus Pharma has been a stalwart in the pharmaceutical sales sector, contributing significantly to healthcare. Our commitment to quality and customer satisfaction has positioned us as a trusted and dynamic player in the pharmaceutical industry. Originally rooted in multi-state operations, we have expanded our footprint internationally with a dedicated export division.

BRAND PROMISE

"We committed to healthcare and healthcare professionals." Aptus Pharma pledges to uphold the highest standards in contributing to the well-being of individuals and supporting the healthcare community.

"All products complies
standard of cGMP & WHO"

*ISO 9001 : 2015 Certified Company
in House Lab Protocol* —————

CURRENT PRESENCE

- Four dedicated division cater to diverse healthcare needs as we have successfully built relationship over 6.5k + honorable Doctors & 125+ Distributors at multi state level, further we are expanding our horizon towards global footprints in emerging & semi regulated market of the world.
 - Extensive field force ensuring wide product reach and customer support.
-

INFRASTRUCTURE DETAILS

Storage & Dispatch

As part of our commitment to quality and streamlined processes, we have developed 18,000 sq. ft. central warehouse for Domestic & Export supply.

Manufacturing

Committed to sustained growth and value creation, our products are developed in state-of-the-art manufacturing facilities, adhering to WHO/CGMP compliances.

Quality Control

Affiliated certified labs for batch to batch rigorous quality assurance.

QUALITY POLICY

At aptus "Quality is Habit."

Our stringent quality measures encompass every stage, from raw material procurement to finished products. Employing cutting-edge methodologies such as HPLC, we meticulously conduct comprehensive batch-to-batch analysis. These rigorous tests encompass compound assay, disintegration, dissolution, stability tests, friability tests, equal drug distribution tests, and uniformity of content tests and other critical assessments, ensuring that each product meets and surpasses stringent quality benchmarks. We strictly adhere to good distribution practices at all levels, ensuring the highest pharmaceutical manufacturing and distribution standards.

QUALITY PARAMETERS FOR EACH BATCH

- Compound Assay
- Dissolution And Distintegration Profile
- U O C (Uniformity of Content)
- Related Substance Compliance
- Impurity Complaince
- Hardness Test
- Ph Level
- Microbiology Study
- Friability
