RISKS TO INVESTORS

Summary description of key risk factors based on materiality:

- **We do not have our own manufacturing facility for pharmaceutical products and we have to rely on third parties for contract manufacturing of the products sold by our Company.**
- **We are required to obtain, renew or maintain certain material statutory and regulatory permits and approvals required to operate our business, and if we fail to do so in a timely manner or at all, we may be unable to operate our business and our results of operations may be adversely affected.**
- **We derive a significant part of our revenue from few customers. If one or more of such customers choose not to source their requirements from us or to terminate our contracts or purchase orders, our business, cash flows, financial condition and results of operations may be adversely affected.**
- **If we are unable to protect our intellectual property rights, our business, results of operations and financial condition may be adversely affected. Further, if our products were found to be infringing on the intellectual property rights of a third-party, we could be required to cease selling the infringing products, causing us to lose future sales revenue from such products and face substantial liabilities for infringement of intellectual property rights.**
- **Our Company may be exposed to product liability and other claims arising from defective medicines manufactured by third-party Contract Manufacturers, despite having manufacturing agreements in place, as indemnity terms are not pre-determined.**
